**PERFORMANCE SUMMARY:**  
 The audience for our performance this evening was on the quiet side. There were not many moments of loud laughter but there was giggling throughout. There were a few moments where they laughed hard such as the "Satan Avoid" line in 4.3 and the "Holy Prayers" line in 5.1. During the run the door handle to the Scene shop came off. The ASMs let Christine know and after the run we all went down to look at it. SM sent a text to Chris Noble to inform him. Christine Proceeded to call Facilities around 10:00 pm. They arrived at 10:05. The inside of the lock has been stripped and they will either put in a work order for Monday or stop by tomorrow afternoon with a new piece to fix it. They showed Christine how to temporarily open it tomorrow so the doors will still be shut locked tonight. They left around 10:18 pm and SM left shortly after.
